

An Invitation to Participate in a Survey on Hospice and End-of-Life Care (for Greater Bangor Area Community Residents)

You are invited to take an online survey about hospice and end-of-life care.

The University of Maine Center on Aging is working with the Community Collaborative for Hospice and End of Life Care to assess the needs of adults and caregivers in the greater Bangor area (those within approximately a 25 mile radius of the city). We are looking for participants who are 18 years and older to take our anonymous survey, which should take about 15 minutes to complete. Participants will have a chance to win one of four \$25 Hannaford gift cards.

If you are interested in participating in this survey, please visit this website: hospicesurvey.net

If you have any questions, please contact the primary investigator of the study, Dr. Lenard Kaye at len.kaye@maine.edu or 207-262-7922.
