

ZOOM WITH US:

As We Navigate the Future

If we cannot be together in person at the annual geriatric conference in Bar Harbor, let's Zoom! Join us as we talk about the lessons we've learned over the past year and how we will thrive in this new post pandemic, digital age

Students, faculty, administrators, healthcare professionals, older adults, and anyone who has an interest in Age Friendly healthcare in the State of Maine are encouraged to attend

Thursday, May 20 from 9am - 1pm
This is a FREE Virtual event

**If you register by May 7, we will mail you a small token of appreciation.*

Topics Covered:

- An unfriendly virus upends an age friendly State
- Power of collaboration
- Technology and social isolation
- Information explosion, misinformation, disinformation & its impact on older adults
- Navigating uncharted waters: engagement, concerns and what matters most
