

Online Certificate in Grandfamilies Leadership

Training for Professionals Working with Kinship Families

The University of Maine Center on Aging is pleased to offer an online certificate program for professionals and volunteers who work with grandfamily caregivers. The online Certificate in Grandfamilies Leadership program provides core education, technical support, and leadership development for professionals delivering grandfamily and kinship programming across the country.

Gain a Higher Level of Expertise

Professionals completing the Certificate in Grandfamilies Leadership course will achieve three levels of expertise in grandfamily service provision:

- Accurately assessing the needs of grandfamilies and identifying resources to meet those needs
- Essential skills needed to deliver high-quality services
- Competencies to ensure sustainable programming

Train with National Experts in Kinship Caregiving

Partnering faculty for this program are nationally recognized experts in grandfamilies issues and programming. The course is delivered by experts in social service provision, policy, and relevant specialized topic areas.
